## COURSE PROJECTS

### VCOM 121: Design Drawing II: Structure and Form

January 2022 - April 2022

Winthrop University Department of Design, Rock Hill, SC

- Developed and portrayed responsive drawings, clinching three-dimensional illustrations onto a sketchbook or drafting paper.
- Utilized Adobe Creative Suite (Photoshop, Illustrator, Fresco) to create and edit graphics and prototypes.
- Managed projects using Google Drive to create space for drawings and other illustrations.

### VCOM420: Illustration: Creating Graphic Novels

August 2023 - December 2023

- Developed comics/cartoons to draft a story from beginning to end.
- Scanned through several comic books drawn by professional comic and cartoon artists.
- Studied materials from instructional books written by other comic artists to gain knowledge.
- Organized and stored comics using Google Drive.

## EXPERIENCE

### Lot Associate

November 2020 – Present

The Home Depot, Steele Creek, NC

- Demonstrated strong organization and attention to detail by arranging approximately 200+ carts per shift and managing the parking lot to ensure a safe and visually appealing environment.
- Managed customer relationships by providing prompt and friendly service and assisting with requests.
- Collaborated with 30 team members to address and resolve issues in the parking lot, enhancing problem-solving skills.

### Team Member

December 2018 – August 2020

Sam's Seafood and Steak, Restaurant, Cypress, TX

- Collaborated with 10 team members to ensure timely and high-quality customer service.
- Communicated with new employees regarding restaurant policies and procedures.
- Delivered orders to customers, honing attention to detail and precision.
- Maintained a clean and organized work environment.
